In re Application of :  
Volkov :  
Application No. 10/637,132 : DECISION  
Filed/Deposited: 8 August, 2003 :  
Attorney Docket No. SUNMP340 :

This is a decision on the petition filed on 17 November, 2009, considered as a petition under 37 C.F.R. §1.181 (no fee) requesting withdrawal of the holding of abandonment in the above-identified application.

The petition pursuant to 37 C.F.R. §1.181 is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR §1.136(a) are permitted. The reconsideration request should include a cover letter entitled “Renewed Petition under 37 CFR §1.181.”)

This is **not** a final agency action within the meaning of 5 U.S.C. §704.

As to the Request to Withdraw  
the Holding of Abandonment

**Petitioner is directed to the Commentary at MPEP §711.03(c )(I) for guidance as to the proper showing and timeliness requirements for relief under 37 C.F.R. §1.181.**

Petitioner appears not to comply with the guidance in the Commentary at MPEP §711.03(c )(I)—as discussed below, Petitioner has failed to satisfy the showing requirements set forth there. Petitioner may find it beneficial to review that material and move step-wise through that

guidance in the effort to satisfy the showing requirements (statements and supporting documentation).

### BACKGROUND

The record reflects as follows:

Petitioner failed to reply timely and properly to the non-final Office action mailed on 16 October, 2006, with required reply due absent extension of time on or before 16 January, 2007.

The Office mailed the Notice of Abandonment on 16 July, 2007.

On 17 November, 2009, Petitioner filed, *inter alia*, a petition pursuant to 37 C.F.R. §1.181 and averred, *inter alia*, that a timely reply had been filed—and averred further that a copy of the receipt card was enclosed with the petition and a copy of the timely reply. No receipt card appears in the record at this writing and there is no statement by the person who signed the certificate of mailing (dated 16 February, 2007) on the copy of the transmittal sheet averred to have accompanied the reply. Moreover, it is noted that Petitioner's reply to the Notice of Abandonment was filed some forty (40) months after the Notice was mailed and clearly not within the two (2) months required under the regulation, and there is no indication of a Status Inquiry having been filed in that period.

Thus, Petitioner has failed to comply with the guidance as set forth below in the citation from the Manual of Patent Examining Procedure (MPEP).

Petitioner is directed to the appropriate guidance (MPEP §711.03(c) ), and requested to comply with it.

Petitioner's reply to the Notice of Abandonment is late under the rule (37 C.F.R. §1.181), and Petitioner is reminded of the guidance set forth in the Commentary at MPEP §711.03(c) (in pertinent part):

#### ***C. Treatment of Untimely Petition To Withdraw Holding of Abandonment***

37 C.F.R. 1.181(f) provides that, *inter alia*, except as otherwise provided, any petition not filed within 2 months from the action complained of may be dismissed as untimely. Therefore, any petition (under 37 C.F.R. §1.181) to withdraw the holding of abandonment not filed within 2 months of the mail date of a notice of abandonment (the action complained of) may be dismissed as untimely. 37 C.F.R. §1.181(f).

Rather than dismiss an untimely petition to withdraw the holding of abandonment under 37 C.F.R. §1.181(f), the Office may require a terminal disclaimer as a condition of granting an untimely petition to withdraw the holding of abandonment.

\*\*\*

### **3.Utility and Plant Applications Filed on or After May 29, 2000**

In utility and plant applications filed on or after May 29, 2000, a terminal disclaimer should **not** be required as a condition of granting an untimely petition to withdraw the holding of abandonment. This is because any patent term adjustment is automatically reduced under the provisions of 37 C.F.R. §1.704(c)(4) in applications subject to the patent term adjustment provisions of the American Inventors Protection Act of 1999 (AIPA) if a petition to withdraw a holding of abandonment is not filed within two months from the mailing date of the notice of abandonment, and if applicant does not receive the notice of abandonment, any patent term adjustment is reduced under the provisions of 37 C.F.R. §1.704(a) by a period equal to the period of time during which the applicant “failed to engage in reasonable efforts to conclude prosecution” (processing or examination) of the application.

Where the record indicates that the applicant intentionally delayed the filing of a petition to withdraw the holding of abandonment, the Office may simply dismiss the petition as untimely (37 C.F.R. §1.181(f)) solely on the basis of such intentional delay in taking action in the application without further addressing the merits of the petition. Obviously, intentional delay in seeking the revival of an abandoned application precludes relief under 37 C.F.R. §1.137(a) or (b) (\*\*\*).

\*\*\*

With regard to Petitioner’s request to withdraw the holding of abandonment pursuant to 37 C.F.R. §1.181, the guidance in the Commentary at MPEP §711.03(c )(I) provides in pertinent part:

\*\*\*

37 C.F.R. §1.10(c) through §1.10(e) and §1.10(g) set forth procedures for petitioning the Director of the USPTO to accord a filing date to correspondence as of the date of deposit of the correspondence as “Express Mail.” A petition to withdraw the holding of abandonment relying upon a timely reply placed in “Express Mail” must include an appropriate petition under 37 C.F.R. §1.10(c), (d), (e), or (g) (see MPEP §513). When a paper is shown to have been mailed to the Office using the “Express Mail” procedures, the paper must be entered in PALM with the “Express Mail” date.

Similarly, applicants may establish that a reply was filed with a postcard receipt that properly identifies the reply and provides *prima facie* evidence that the reply was timely filed. See MPEP §503. For example, if the application has been held abandoned for failure to file a reply to a first Office action, and applicant has a postcard receipt showing that an amendment was timely filed in response to the Office action, then the holding of abandonment should be withdrawn upon the filing of a petition to withdraw the holding of abandonment. When the reply is shown to have been timely filed based on a postcard receipt, the reply must be entered into PALM using the date of receipt of the reply as shown on the post card receipt.

Where a certificate of mailing under 37 C.F.R. §1.8, but not a postcard receipt, is relied upon in a petition to withdraw the holding of abandonment, see 37 C.F.R. 1.8(b) and

MPEP §512. As stated in 37 C.F.R. §1.8(b)(3) the statement that attests to the previous timely mailing or transmission of the correspondence must be on a personal knowledge basis, or to the satisfaction of the Director of the USPTO. If the statement attesting to the previous timely mailing is not made by the person who signed the Certificate of Mailing (i.e., there is no personal knowledge basis), then the statement attesting to the previous timely mailing should include evidence that supports the conclusion that the correspondence was actually mailed (e.g., copies of a mailing log establishing that correspondence was mailed for that application). When the correspondence is shown to have been timely filed based on a certificate of mailing, the correspondence is entered into PALM with the actual date of receipt (i.e., the date that the duplicate copy of the papers was filed with the statement under 37 C.F.R. §1.8).

37 C.F.R. §1.8(b) also permits applicant to notify the Office of a previous mailing or transmission of correspondence and submit a statement under 37 C.F.R. §1.8(b)(3) accompanied by a duplicate copy of the correspondence when a reasonable amount of time (e.g., more than one month) has elapsed from the time of mailing or transmitting of the correspondence. Applicant does not have to wait until the application becomes abandoned before notifying the Office of the previous mailing or transmission of the correspondence. Applicant should check the private Patent Application Information Retrieval (PAIR) system for the status of the correspondence before notifying the Office. See MPEP §512.<sup>1</sup>

\*\*\*

If Petitioner is unable to comply with and/or otherwise satisfy these requirements, he may wish to revive the application: Petitioner may wish to properly file a petition to the Commissioner requesting revival of an application abandoned due to unintentional delay under 37 C.F.R.

§1.137(b). (See:

[http://www.uspto.gov/web/offices/pac/mpep/documents/0700\\_711\\_03\\_c.htm#sect711.03c](http://www.uspto.gov/web/offices/pac/mpep/documents/0700_711_03_c.htm#sect711.03c) )

Out of an abundance of caution, Petitioners always are reminded that the filing of a petition under 37 C.F.R. §1.181 does not toll any periods that may be running any action by the Office and a petition seeking relief under the regulation must be filed within two (2) months of the act complained of (*see*: 37 C.F.R. §1.181(f)), and those registered to practice and all others who make representations before the Office are reminded to inquire into the underlying facts of representations made to the Office and support averments with the appropriate documentation—since all owe to the Office the continuing duty to disclose.<sup>2</sup>

The availability of applications and application papers online to applicants/practitioners who diligently associate their Customer Number with the respective application(s) now provides an applicant/practitioner on-demand information as to events/transactions in an application.

<sup>1</sup> See: MPEP §711.03(c) (I)(B).

<sup>2</sup> See supplement of 17 June, 1999. The Patent and Trademark Office is relying on Petitioner's duty of candor and good faith and accepting a statement made by Petitioner. See Changes to Patent Practice and Procedure, 62 Fed. Reg. at 53160 and 53178, 1203 Off. Gaz. Pat. Office at 88 and 103 (responses to comments 64 and 109)(applicant obligated under 37 C.F.R. §10.18 to inquire into the underlying facts and circumstances when providing statements to the Patent and Trademark Office).

### STATUTES, REGULATIONS

Congress has authorized the Commissioner to "revive an application if the delay is shown to the satisfaction of the Commissioner to have been "unavoidable." 35 U.S.C. §133 (1994).

#### Allegations as to the Request to Withdraw the Holding of Abandonment

The guidance in the Commentary at MPEP §711.03(c)(I) specifies the showing required and how it is to be made and supported.

Petitioner appears not to have made the showing required.

### CONCLUSION

Accordingly, the petition pursuant to 37 C.F.R. §1.181 is **dismissed**.

### ALTERNATIVE VENUE

Should Petitioner wish to revive the application, Petitioner may wish to properly file a petition to the Commissioner requesting revival of an application abandoned due to unintentional delay under 37 C.F.R. §1.137(b). (See: [http://www.uspto.gov/web/offices/pac/mpep/documents/0700\\_711\\_03\\_c.htm#sect711.03c](http://www.uspto.gov/web/offices/pac/mpep/documents/0700_711_03_c.htm#sect711.03c) )

A petition to revive on the grounds of unintentional delay must be filed promptly and such petition must be accompanied by the reply, the petition fee, a terminal disclaimer and fee where appropriate and a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional." (The statement is in the form available online.)
